ATTACHMENT NO. 33

14.01 DISBURGEMENTS DETAILS - BUSINESS

Account Number	
Purpose of Account (Business)	OPERATING
Name of Account (e.g., Checking)	

[illegible]

If any checks written this period have not been delivered to the payee, provide details, including the payee, amount, explanation for holding check and anticipated delivery date of check.

1. The first part of the document is a title page. It contains the title of the report, the author's name, and the date of the report. The title is "The Impact of Climate Change on the Environment". The author is "John Doe". The date is "10/10/2023".

2. The second part of the document is an abstract. It provides a brief summary of the main findings of the report. The abstract states that the report examines the impact of climate change on the environment, focusing on the effects of rising temperatures, sea level rise, and extreme weather events. The findings indicate that climate change is having a significant negative impact on the environment, and that urgent action is needed to mitigate these effects.

3. The third part of the document is the introduction. It provides a more detailed overview of the report's purpose and scope. The introduction states that the report aims to explore the various ways in which climate change is affecting the environment, and to identify the key areas where action is needed to reduce the impact of climate change. The introduction also mentions that the report will draw on a range of scientific research and data to support its findings.

4. The fourth part of the document is the main body of the report. It is divided into several sections, each focusing on a different aspect of the impact of climate change on the environment. The sections are: "The Impact of Rising Temperatures", "The Impact of Sea Level Rise", "The Impact of Extreme Weather Events", and "The Impact of Climate Change on Ecosystems". Each section contains a detailed analysis of the current state of the environment, the projected future impacts of climate change, and the actions that need to be taken to mitigate these impacts.

5. The fifth part of the document is the conclusion. It summarizes the main findings of the report and provides recommendations for action. The conclusion states that the report has found that climate change is having a significant negative impact on the environment, and that urgent action is needed to mitigate these effects. The conclusion also provides a list of recommendations for action, including: "Reduce greenhouse gas emissions", "Protect and restore ecosystems", and "Adapt to the impacts of climate change".

6. The sixth part of the document is the references. It lists the scientific research and data sources that were used to support the findings of the report. The references include: "IPCC (Intergovernmental Panel on Climate Change) 2014", "NASA (National Aeronautics and Space Administration) 2018", and "World Bank 2019".

7. The seventh part of the document is the appendix. It contains additional information that is related to the report but is not included in the main body of the report. The appendix includes: "A list of acronyms and abbreviations", "A list of figures and tables", and "A list of footnotes".
